Tokyo International Arts Festival

Aims and objectives of TIAF

We aim to give a platform for a diverse variety of talented, contemporary artists with a solid reputation from around the world to exhibit their artworks in Tokyo. The sharing of interesting ideas and approaches to the pursuit of beauty and expression by people from many different background and cultures will inspire the imagination of each person who attends. 現代美術の多様な表現を展開する世界の中堅作家の作品を展示・交流を通して友好と信頼を築き、未来について提案する場とする。
